RISK & HAZARD

- **2001 GOVERNMENT REGULATIONS**

Under the 2001 NSW Government regulations it is the owners or the owners representative who are to control the risk and hazards of their plant and equipment of which a lift and the installation are identified.

- **AEA MEMBERSHIP**

As members of the Australian Elevator Association we are constantly kept abreast of the latest regulations and technologies affecting the industry.

- **RISK AND HAZARD ASSESSMENT**

Electra Lift Co. can undertake a detailed assessment and identify problem areas, this is reported in a detailed plan over a set schedule in accordance with the AEA industry standard handbook.

- **RENEWAL OF PLANT ITEM REGISTRATION**

Annual re-registration requirements.

- **FIRE SAFETY CERTIFICATE**

Annual certification.

- **CONTROLLER OF PLANT AND EQUIPMENT, OWNER AND OWNERS REPRESENTATIVE**

It is our responsibility and due diligence to inform the controllers of the plant and equipment, once a risk and/or hazard has been identified during our routine service.

Electra Lift Co. has:

1. **Public Liability Insurance**
2. **Workers Compensation Coverage**
3. **Professional Indemnity Insurance**
