Electra Lift is an elevator and escalator maintenance company who understands the importance of service, reliability and performance. For over four decades we have provided a comprehensive range of services to a growing number of organisations in need of cost efficient lift maintenance, repairs and modernisations.

MAINTENANCE

FULL MAINTENANCE

Our comprehensive maintenance agreement includes:

- Regular servicing
- Oil, lubricants, cleaning solutions, rags, globes (indication), etc.
- Replacement parts
- Major items repaired or replaced as deemed necessary
- Regular safety checks
- 24 hour breakdown service facility.

STANDARD MAINTENANCE

Our standard maintenance agreement includes:

- Regular servicing
- Oil, lubricants, cleaning solutions, rags, etc.
- Minor adjustments carried out
- Regular safety checks
- 24 hour breakdown service provided, all calls being chargeable..

MONTHLY OR QUARTERLY VISITS

An assessment is made on individual equipment to determine what is best and the quote reflects this.

- Older equipment needs more intensive service due to extensive moving parts
- Newer equipment lesser frequency due to fewer moving parts, sealed bearings.

SCHEDULED MAINTENANCE VISITS INCLUDE:

- Clean pit, top of car and machine room
- Check indication and lighting
- Check alarm and or telephone
- Check machine, gear oil and bearing oil
- Check door operation
- Check floor levels
- Check sheaves and ropes
- Identify potential problems.

NO CHARGE FOR KEYS IN PIT

Electra Lift Co. does not charge for keys in pit if they can be collected during the next scheduled service.

STOCK AND PARTS

Electra Lift Co. retains in stock an extensive range of spare parts and components for both old and new equipment. Parts can be sourced or custom made in our fully equipped workshop.
